## WLR Automotive Group Opens an Auto Spa Express in York, PA

Frederick, MD (9/20/2021) – WLR Automotive Group, Inc., opened an Auto Spa Express, in York, PA. The new Auto Spa Express is conveniently located off Carlisle Road at 2140 York Crossing Drive. This marks the company’s 24<sup>th</sup> business location and 4th Auto Spa Express; it is the first Auto Spa Express in Pennsylvania.

The Auto Spa Express offers customers a cutting-edge car wash experience. The state-of-the-art 130-foot tunnel boasts high-tech stainless-steel equipment and uses two types of wraps; soft microfiber and neoprene wraps that do not hold dirt. There is colorful LED lighting throughout, with a rainbow rinse that adds enjoyment to the overall experience. The Auto Spa’s filtration system under the tunnel removes minerals, to ensure a spot-free rinse. The tunnel ends with 18 air cannons and heated dryers, for maximum drying. Also, worthy of note, the tunnels can fit dually wheeled trucks.

The Auto Spa Express offers four different wash packages, including Super, Deluxe, Standard and Basic. Each wash package has the option of an Unlimited Monthly Membership complete with a VIP Members-Only Express Lane. In addition, after exiting the wash tunnel, there are free microfiber drying towels, air hoses, 17 vacuums, and 4 mat cleaners for customers to use.

Randall S. Simpson, President and CEO of WLR Automotive Group, said, “We are thrilled to open a brand-new car wash in York, PA. We have been fortunate to have a successful drive-thru oil change business, The Lube Center, in York for over 13 years and look forward to serving customers in a different capacity.” Simpson added, “the new location has a team of talented and hardworking individuals, who are proud to be a part of this new endeavor. I would also like to thank the county for being so supportive of this new location.”
