WLR Automotive Group Opens Second Auto Spa Express in Frederick, MD

Frederick, MD (1/29/2021) – WLR Automotive Group, Inc. opened a second Auto Spa Express, in Frederick, MD. The new Auto Spa Express is conveniently located off Route 26 at 2415 Monocacy Blvd. This marks the company’s 23rd location and 3rd Auto Spa Express.

The Auto Spa Express offers customers a cutting-edge car wash experience. The state-of-the-art 100-foot tunnel boasts high-tech stainless-steel equipment and uses two types of wraps; soft microfiber and neoprene wraps that do not hold dirt. There is colorful LED lighting throughout, with a rainbow rinse that adds enjoyment to the overall experience. The Auto Spa’s filtration system under the tunnel removes minerals, to ensure a spot-free rinse. The tunnel ends with 17 air blowers and heated dryers with flames, for maximum drying. Also, worthy of note, the tunnels can fit dually wheeled trucks.

The Auto Spa Express offers four different wash packages, including Super, Deluxe, Standard and Basic. Each wash package has the option of an Unlimited Monthly Membership complete with a VIP Members-Only Express Lane. In addition, after exiting the wash tunnel, there are free microfiber drying towels, air hoses, vacuums, and mat cleaners for customers to use.

Randall S. Simpson, President and CEO of WLR Automotive Group, said, “We have had amazing support from the Frederick community throughout the years and feel this will be a great addition.” Simpson added, “the new location has a team of talented and hardworking individuals, who are proud to be a part of this new endeavor.”

About WLR Automotive Group, Inc.
